We offer cosy meadows where families and cyclists can pitch their tents as well as parking sites with water and electric hook-ups and TV connection. Every parking site and tent pitch has access to electricity in its immediate vicinity. Moreover, all our parking sites are covered with gravel turf and thus optimally suitable for campers and caravans. Ideal bathroom facilities, our new restaurant, the "Strandhaus", the outstanding infrastructure as well as numerous shopping possibilities will make your vacation a relaxing and delightful experience. Please don't hesitate to call us – we are glad to be of assistance and answer any questions you might have about our campsite.

Germany, Austria and Switzerland. Our site is the perfect starting point for your vacation as well as for an interesting variety of trips in the surrounding area. Our site is located a stone's throw of the Allgaeu, Upper Swabia, Vorarlberg, Liechtenstein and Switzerland – you can be there in no time at all. The border triangle between Germany, Austria and Switzerland also offers an almost unlimited number of leisure facilities that are just waiting for you.

We're looking forward to your visit!

Sincerely yours, the Göppel family
Park-Camping Lindau at Lake Constance

Lindau, your starting point:

Vacation in Lindau has no limits, there are countless possibilities. Thanks to its unique location, Lindau is the centre of your vacation and provides the best starting point all around Lake Constance for your trips into the Allgaeu and to Upper Swabia, Austria, Liechtenstein and Switzerland. Promise!

Facilities and activities we offer:

Modern sanitary facilities, cooking and washing facilities, activities for kids, playground, lounge, hot spot, bike rental, massages, canoing station, tour suggestions for bikers, bicycle tracks, hiking and Nordic Walking trails starting directly at the campsite, places of pilgrimage, the Way of St. James, bus tours, geocaching, fishing, game rental, gambling machines, football area, table tennis, basket ball field, sailing, surfing, swimming, rafting, canyoning, the BBQ academy and many other fun activities!

Food and drink:

You'll find the best in our "Strandhaus" restaurant, of course! Furthermore, you will find an almost unlimited variety of culinary delicacies and lots of attractive shopping facilities in the border triangle. Lake Constance, the Allgaeu, the Bregenzer Wald region, the Appenzell area and all of the other surrounding regions have their very own specialties and culinary delights.

You will have no trouble finding home-made specialties, fresh fruit and vegetables grown around Lake Constance, home-made spirits and many other delicacies - you can buy them in our „Strandkorb“, numerous farmers' shops, cheese dairies and markets.. And if you want something different for a change (and if you're fed up with simply grilling steaks and sausages), why don't you attend one of Klaus Winter's BBQ seminars or give it to someone as a very special present!

Summer, sun - and our beautiful beach on the shore of the lake!

Our natural beach stretching across the whole length of the campsite changes its face with the lake's water level - sandy at times, and then again more of a shingle beach, but always with a large and beautiful sunbathing area. During bathing season, we clean our beach of litter and driftwood every day. Furthermore, a separate area is monitored by the campsite's lifeguard. Lake Constance's water quality is outstanding – this is proven by the fact that Lindau's drinking water is taken directly from the lake.
